Pinboard MAULpro, structure

1. Screw on mounting element

2. Attach and adjust board

3. Screw the board tight at the corners

- **The best in terms of stability and quality**
- **Made in Germany, GS Label (tested security) TÜV Thüringen, 3-year guarantee**
- **Convenient: the surface is discreet, dirt is nearly invisible**
- **Strong performance: the pins are tightly pinned and ensure a good holding**
- **Highest stability: strong silver anodised aluminium frame, thickness approx. 1,3 mm**
- **Low weight, easy mounting: easy adjustment up to 6 mm after mounting by means of patented MAUL eccentric elements**
- **Landscape or portrait format**
- Cork surface on 10 mm stable kernel made in sandwich technique
- Wall friendly: air can circulate between wall and board
- Can be used as flipchart: economic upgrade with discreet flipchart pad holders (Art.-No. 638 73 84)
- Can be recycled to 98%, low emission production in our national plant
- Including mounting material
- Recyclable packaging
- Colour code refers to the grey corner joint
- Guarantee: 3 years
